Re: Estate of Joseph Dlhy

Dear Leo:

You will recall sometime ago you spoke to me about the possibility of acquiring land from Mrs. Dlhy in Ridgebury for a golf course under the Open Spaces Program. At the time you indicated that you would send me a rough sketch indicating specifically which portion of the land you were interested in, but we have not heard anything further from you.

Would you please let me know if this program is still in operation and whether there is any possibility that the Town would be interested in acquiring any portion of this land. I am getting ready to close out the estate and would like to know what the possibilities of this development of the land are before doing so.

Sincerely,

Dlh
