Re: Ridgebury Golf Property

Dear Mr. Woodcock:

I have a proposed contract from Mr. Kraus for the sale of his land. I have not received a contract on the Leighton property, but Mr. Petroni has been in contact with the Leighton's about this contract. I have heard from Attorney Hanna, representing Mrs. Dlhy, that he knows nothing about any proposed sale of any portion of the Dlhy property to the Town of Ridgefield.

It is my understanding that these contracts are all contingent upon the other properties being obtained, so I suggest that Mrs. Dlhy be contacted again to see if she is going to sell this property, or else we should notify Kraus and Leighton.

Very truly yours,

John E. Dowling
