MEMORANDUM:

TO: Messrs: Gino Torcellini
Vince Paccadolmi
Ray Phelan
Judge Reed Shields

FROM: Don Brooks

By telephone today I arranged for a meeting with George Fazio at the proposed golf course site on the afternoon of Friday, September 24. Mr. Fazio has advised that he will probably be driving from Philadelphia and would expect to arrive in Ridgefield around lunch-time.

He asked if it were possible for us to have a jeep available to drive over the site. In this respect I am at a loss but if somebody could come up with suitable mobile transportation it would be appreciated. I hope that as many of you as possible can attend.

Further, I wrote recently to Al Zikorus of Bethany, Connecticut who has designed and built several of the new courses we have recently sought information from and asked that he consider visiting our site. This was perhaps presumptuous on my part but I had:

1. Written George Fazio and asked when he was coming and had no reply.
2. I felt we needed to get moving prior to cold weather and I was getting a little impatient.
3. He came highly recommended from two communities in Connecticut and also Harry Eckhoff who had reported very favorable reaction from other Connecticut communities.

I call to your attention the fact that we are not obligated to anyone at this moment. Please advise if you will be unable to attend the meeting on September 24.

Don Brooks
