**MEMORANDUM:**

**TO:** Messrs: Gino Torcellini  
Vince Paccadolmi  
Ray Phelan  
Judge Reed Shields

**FROM:** Don Brooks

A meeting of the Committee will be held January 10 at 8:30 P.M. at the Park & Recreation headquarters. Please make every effort to attend. There are many items that need discussion, decisions and action immediately.

Please try to offer some suggestions for two additional members of the committee. Because the Board of Selectmen have ruled that we must have minority representation - our present lineup is 4 to 1 - the two additional members must be unaffiliated, independent or democrats. Because of the many things that will be needing attention from now through the construction period I personally think it very wise to appoint people working within the local area who will possibly have some time to give us when occasionally needed.

If you are unable to attend the meeting kindly contact me by phone at home.
