Mr. Thomas J. Loveday
Chairman
Board of Trustees
Ridgebury Congregational Church
United Church Of Christ
Ridgebury Road
Ridgefield, Connecticut

Dear Mr. Lovejoy:

This is in reply to your letter of March 17 regarding the location of the access road for the future golf course in Ridgebury.

Although the matter has not been finally settled, the Golf Course Committee's current thinking is that access to the site will be over the right of way adjoining Mrs. Dhly's property. The course will be designed, however, to permit the beginning and ending of play at both the Dhly entrance and the Old West Lane access point so that the use of the latter location would not be precluded if this road were developed sometime in the future.

When your group first contacted us to express its concern about the use of Old West Lane as the access road, I promised that no firm decision would be made to do this without prior notification to your board. That promise still stands.

Cordially,

J.J. McLinden
First Selectman

cc: Golf Course Committee
Planning & Zoning Commission
