Dear Mrs. Dlhy:

First Selectman, Joseph McLinden recently suggested to the  
Golf Course Committee that because of the great cooperation  
you have given this project that your name be used as a means  
of expressing the Town's grateful thanks.

Please be advised that on Monday, the Committee voted unanimously  
to name the new facility, "Dlhy-Ridge Golf Course."

As chairman of the Golf Course Commission, I should like to  
add my personal, as well as that of the other Commission members,  
sincere thanks for your extreme generosity in helping us realize  
this very fine project.

Cordially,

Don Brooks  
Chairman
