

June 13, 1972

Board of Selectmen  
Town of Ridgefield

Attention: Mr. Joseph McLinden

Dear Joe,

The Golf Course Committee unanimously recommends that Lawrence C. Fischer of Brewster, New York, be hired immediately for the Superintendent's position.

Attached is the resume submitted by Mr. Fischer to our Committee and we can further advise that some of the references he submitted were checked by Vincent Paccadolmi and Fred Orrico. He received an excellent recommendation from Jim Fullwider, Supt., Century Golf Club, White Plains, who is probably the dean of the golf course superintendents in this area.

Mr. Fischer is willing to accept a first-year salary of \$11,000 which is in accordance with our originally budgeted figure for a superintendent. He has also been advised that the usual Town Benefits given to employees will be made available to him.

It is our intent that Mr. Fischer be on the job at all times when construction work is performed at the site. He will also serve as Clerk-of-the-Works and attend our Committee meetings for the purpose of reporting progress, etc.

We ask that the Board of Selectmen grant us this approval as soon as possible in order that Mr. Fischer begin his duties no later than June 19th.

Sincerely,

Don Brooks, Chairman  
Golf Course Committee
