

GOLF COURSE COMMITTEE MEETING

MARCH 18, 1974

The Golf Course Committee Meeting was held in the Town Hall on March 18, 1974; Chairman Don Brooks called the Meeting to order at 8:40 p.m.

All

Members present: Don Brooks, David Canfield, Ray Phelan, Reed Shields, Vincent Paccadolmi and Gino Torcellini

The attached committee report was made by the Policy Committee, resulting from their meeting last Saturday. It is to be studied by Members and will be corrected at the next meeting (NOTE: MARCH 25) and voted on at that time. A letter from Perkin Elmer Corporation was read aloud in this regard. Mr. Paccadolmi suggested several starting time periods be held open each day. There was some discussion of possible community feeling that the \$225 fee might be too high but Mr. Brooks heard little of this at the public meeting last Thursday--always better a little higher and eventual lowering than to make the mistake of setting ones price too low and having to raise it!

PLEASE NOTE AND READ CAREFULLY THE ATTACHED AND PREPARE TO DISCUSS IT AT THE MARCH 25th MEETING.

A discussion followed regarding the hire of a Superintendent and finally a decision was made and the MOTION made:

"THAT the Golf Course Committee recommends to the Selectpersons the hiring of James S. Kaczinski as Superintendent of the Dlhly-Ridge Golf Course, the conditions being that he start at Grade 15, Step #1, being eligible for a bonus after a period of six months subject to our review and that he be given \$150 for moving fees after his acceptance."

Motion made by Ray Phelan, Seconded by David Canfield and voted Unanimously

Ray Phelan found parts for the Worthington, delivered the compressor to them, discovered a good buy (\$300) on an old dump truck, saw to it that the tractor tire was repaired by Firestone, aquired a trailor at the dump which is just what we need with a few minor revisions, and ordered the lumber for the bridge!

The following Motion was made by Reed Shields, Seconded by Gino Torcellini and voted unanimously: "THAT we purchase the used truck for \$300."

and also this Motion: "THAT we purchase the F-10 7-gang unit for \$7900" which was also passed unanimously

The Secretary had to leave the Meeting at 10:30 for personal reasons and will have a second page of March 18 minutes in a day or so after receiving information re bills recommended for payment to the Accountant.
